

## Directing the Disorder

By William F. Jasper | August 10, 2020

The whole world has gone insane and the lunatics are in charge of the asylum. At least it looks that way to any rational person surveying the escalating revolutions that have engulfed the planet in the year 2020. The revolutions to which we refer are the COVID-19 revolution and the Black Lives Matter revolution, which, combined, are wreaking unprecedented havoc and destruction — political, social, economic, moral, and spiritual — worldwide. As we will show, these two seemingly unrelated upheavals are very closely tied together, and are but the latest and most profound manifestations of a global revolutionary transformation that has been under way for many years. Both of these revolutions are being stoked and orchestrated by elitist forces that intend to unmake the United States of America and extinguish liberty as we know it everywhere.

In his famous “Lectures on the French Revolution,” delivered at Cambridge University between 1895 and 1899, the distinguished British historian and statesman John Emerich Dalberg, more commonly known as Lord Acton, noted: “The appalling thing in the French Revolution is not the tumult, but the design. Through all the fire and smoke we perceive the evidence of calculating organization. The managers remain studiously concealed and masked; but there is no doubt about their presence from the first.” One of those revolutionary managers was Duke of Orleans Louis Philippe, the wealthiest man in France, head of the Grand Orient masonic lodge, and cousin to King Louis XVI. Like George Soros, Bill Gates, Michael Bloomberg, and other billionaires of today, Louis Philippe operated through a Deep State network that provided the “calculating organization” that designed and caused the murderous chaos and tumult that engulfed revolutionary France. Since the 2016 U.S. presidential elections, the term “Deep State” has become a popular expression referring to the powerful, murky forces operating throughout the federal government, the major media, the political establishment (of both major parties), the megabanks and corporations, the think tanks, and academia — all with the aim of sabotaging the pro-American agenda of Donald Trump and removing him as president of the United States by any means necessary.

President Trump has correctly described the opposing forces in this conflict as globalists vs. nationalists, and has publicly cast his lot with the nationalists, announcing his “America First” position and a refusal to yield America’s national sovereignty to the United Nations or any of its schemes for world government. However, the nationalist vs. globalist conflict is not merely an ideological struggle between shadowy, unidentifiable forces; it is a struggle with organized globalists who have very real, identifiable, powerful organizations and networks operating incessantly to undermine and subvert our constitutional Republic and our Christian-style civilization. The premier organization leading this globalist effort is the New York City-based Council on Foreign Relations (CFR). It is the “brain trust” and public face of the shadowy Deep State internationalists who have been pushing to submerge the United States (and all other nation states) under a world government for the past century. As the accompanying charts on pages 18-27 demonstrate, the CFR has acquired unparalleled power and influence not only in our government, but also in virtually all of our society’s principal institutions. Unfortunately, many of the critics of the Deep State fail to mention — whether out of ignorance or fear — the central role of the Council in the Deep State’s actions. But this is like whining about “organized crime” while refusing to mention the Mafia families by name. Or complaining about the evils of the narcotics trade while refusing to identify the drug cartels and their kingpins. We will return further on for a brief history of how the Deep State CFR achieved its deep — and wide — penetration and control. Before doing that, however, we will look at the two revolutions referred to above, and the starring role the Council on Foreign Relations has played in each to topple the American system of government in favor of a socialist order both nationally and globally.

## **Tyranny Gone Viral**

For the first time in human history, the entire world has been trapped in a global lockdown, at the behest of the United Nations’ World Health Organization. This unprecedented action came about due to the (supposedly unintentional) release of a novel coronavirus by Xi Jinping and the Communist Party leadership of the People’s Republic of China. The result has been that in a few short months not only the United States of America but the entire world has lurched further into socialist-communist control than could have been imagined by even the most far-sighted political seers.

Governments at every level — local, state, national — have rushed to implement authoritarian (even totalitarian) measures that would be completely unthinkable, except for the claim that these actions are absolutely necessary to save humanity from a uniquely deadly “pandemic.”

Politicians, bureaucrats, and “public health officials” have enthusiastically embraced their new COVID-19 powers to close down virtually all normal human activity; destroy millions of businesses and hundreds of millions of jobs; close completely or greatly shackle religious worship; totally take over and control hospitals and healthcare; spend *trillions* of dollars; order everyone to adopt “social distancing,” “isolation,” face-mask rules, and other social regimentation; cancel or completely reorder elections; hire hundreds of thousands of “contact tracers” and institute Orwellian monitoring and surveillance under the guise of COVID contact tracing; mandate vaccinations and healthcare tracking in order to work, travel, or engage in any commerce; and much more.

This sweeping revolution would not have been possible without the orchestration provided by the CFR politicians and their academic, business, and media accomplices. They have relentlessly sown fear and hysteria to consolidate and perpetuate this huge power grab, even though the actual findings of science, the real medical facts, show that COVID-19 is nowhere near as deadly or contagious as the fearmongers claim, and certainly not serious enough to justify their dictatorial mandates.

In addition to lionizing Tedros Adhanom, director-general of the UN’s World Health Organization (and one of Beijing’s most dependable cheerleaders), and Dr. Anthony Fauci, lead spokesman of the White House Coronavirus Task Force, the CFR media minions have ceaselessly promoted the propaganda of the Bill & Melinda Gates Foundation. Bill Gates, one of the world’s richest billionaires, is a close comrade of Chinese dictator Xi Jinping and has been inducted into the elite Chinese Academy of Engineering, an organ headed by “Premier” Li Keqiang, China’s “Number 2” communist boss.
