

FAUCI'S FRAUD MACHINE REVEALED

HE'S BEEN AT THIS A LONG LONG TIME – AND IT STARTED WITH AIDS

RECORDED IN 2014

Yes, we are somewhat obsessive on this topic.

Why?

Because the viability of the infrastructure of daily life is being put at greater and greater risk each day this media-fueled hysteria-driven societal shutdown is continued.

The world takes Fauci at face value. Not a good idea.

After 200++ hours of research, we found this superb interview – recorded in 2014 – that goes into Fauci's frauds in detail.

The players, the mechanisms, all the belts and gears.

What I guessed at two months ago is confirmed in technical with **DETAIL** you will not find anywhere else.

WHY EVERYONE LOVES TONY FAUCI

“AIDS”: THE ULTIMATE MONEY PUMP

COREY DIGGS LAYS IT ALL OUT

Why everyone loves Tony Fauci...

Well, normal people don't like him, but here's why every politician does.

"AIDS" is the ultimate money pump.

The money goes overseas "for AIDS" and then finds its way back to the Clinton, to Gates, Pharma and other Friends of Fauci.

Fauci is the key man because he's the one who keeps the fake "science" show running.

36 years – no vaccine, no cure, and still no science that proves that HIV causes AIDS.
