

VIDEO: Bill Gates: Globalist Technocrat to “Save” You With Mandatory Vaccines? | Behind the Deep State

by TNA Video - May 5, 2020

In this episode of Behind The Deep State, host Alex Newman exposes Microsoft founder Bill Gates and his insane efforts to hijack education and more importantly today, inject everyone on the planet with his dangerous vaccines to supposedly save us from “coronavirus.” Alex breaks down his close links to the mass-murdering leaders of Communist China, and to the globalist billionaires in the Deep State closer to home. Learn about Gates’ fanatical obsession with population control, population reduction, depopulation and how he hopes to achieve it with abortion and vaccines.
