The socialist temptation | Dinesh D'Souza LIVE at the University at Buffalo

Dinesh D'Souza is a #1 "New York Times" bestselling author, the filmmaker behind "Death of a Nation," "Hillary's America," and "2016: Obama's America," and a nationally sought-after speaker. He brings a fiery message of limited government, personal responsibility, and individual liberty to campuses all across the country, debunking #FakeHistory everywhere he goes.

Young America's Foundation engages with students across the country to inspire them with the ideas of individual freedom, a strong national defense, free enterprise, and traditional values. YAF is the principal outreach organization of the conservative movement and introduces hundreds of thousands of young Americans to these principles every year, most of whom have never heard the arguments for freedom and personal responsibility before.
