

## Legislative Rule Change Vote

A trusted source in the legislature has said that the RINO's are going to vote with the Dems to KILL the rule change vote. The ramifications of this are HUGE and would mean that the legislature won't even have the chance to vote to end the State of Emergency if the rules vote doesn't succeed.

### ACTION:

Call and E-Mail all of the RINO's in the legislature before Friday (the sooner the better as they are voting NOW) encouraging them to VOTE YES FOR THE RULE CHANGES.

Talking points would be:

- State of Emergency needs to end because there IS no "Pandemic"
- No More Masks
- School kids are being harmed by masks
- Nursing homes need to be opened up
- Anything else you can think of.

## RINO's in the Montana Legislature
